

October 24, 1945.

Captain Louis E. Lutz, Secretary,  
N. E. Police Revolver League,  
882 Washington street,  
Dorchester 22, Mass.

Dear Captain Lutz:

The Board of Directors of the Massachusetts Rifle Association, at a recent meeting, voted that the New England Police Revolver League be allowed to use the range of the Association at Walnut Hill for the League's annual shoot on June 7 and 8, 1946, with the understanding that the League furnish its own targets, and put up and take down the targets, and having men from the Association act as assistants to the range officer.

This, I believe, is the same arrangement as in previous years.

Yours very truly,

J.P.Drumgoole.  
Secretary.
